Re: Avery Landing Petroleum Contamination

Dear Mr. Allen:

This is to confirm the meeting on July 6, 1989, at 10:00 a.m. at our office in Coeur d'Alene to discuss the cleanup of the Avery Landing petroleum contamination site. All the parties present at the December 15, 1988, meeting have been contacted. In addition, a representative from the state attorney general's office will be present. Other legal counsels for the respective parties are also invited to attend. The purpose of having attorneys present is to speed up communication between all parties and to resolve the legal issues as rapidly as possible.

The purpose of the meeting is to develop a cleanup plan and discuss the distribution of costs. We would appreciate you confirming this date with us by June 30, 1989.

Sincerely,

Stephen A. Breithaupt
Senior Water Quality Specialist
